## FOUNDATION & PRACTITIONER COURSE

### Introduction

AgileBA is a guidance, training and certification scheme designed for business analysts working in an agile environment. This course covers the Agile Business Analysis Handbook.

This is the 4 day approach to gaining the Foundation & Practitioner qualification (3 days training and 1 day for the Practitioner exam). It is an intense course that will require delegates to prepare thoroughly and be prepared for evening work throughout the course. The course includes the Foundation & Practitioners examinations.

### Target Audience

This course is ideal for those likely to be involved in business analysis within an Agile project, for example:

- Business Analysts
- Developers in Agile Teams
- Testers in Agile Teams
- Project Managers
- Product Owners and business representative

### Course Benefits

- Knowledge and understanding of AgileBA
- Agile Business Analysis techniques
- How to move from traditional to more agile ways of working
- 2 examination qualifications
- 1 year's free membership of the [Agile Business Consortium](#) for successful candidates

**Duration:** 4 days

**Pre-Requisites:** Previous experience as a business analyst working in an agile environment and completion of the pre-course reading

### About Aspire Europe

The case for using Aspire Europe is compelling; we are an Accredited Training organisation by [APM](#), C4CM and The APM Group and an AXELOS Limited accredited consulting partner. Our trainers include mainly practicing consultants in Portfolio, Programme and Project Management and Risk Management who have achieved Registered Consultant status.

We constantly strive to offer refreshing courses, material and examples to the market and provide interesting and stimulating events.

The 4 day course is intense, and the sheer volume of information that has to be processed to achieve Foundation and then Practitioner level can be challenging. Preparation is the key to success, which is why we provide pre-course reading to help you arrive on the first day fully prepared.

**Public Event:** Price on application  
**In-House Event:** Price on application
