

AgilePM® FOUNDATION COURSE

Introduction

Delivering projects using an Agile approach requires different ways of thinking and different ways of working for the project manager and all those involved. This course covers the AgilePM handbook version 2.

This is the 3 day approach to gaining the Foundation qualification. It is an intense course that will require delegates to prepare thoroughly and be prepared for evening work throughout the course. The course includes the Foundation examination.

Target Audience

This course is ideal for any staff managing or involved in the delivery of a project that is to be delivered using an Agile approach, for example:

- Project or Business Sponsors
- Project Managers and their teams
- Business Change Managers
- Technical team members involved in solution design, development and testing
- Programme and Project office staff
- Business Analysts

Course Benefits

- Understanding of the roles involved in successfully delivering an Agile project
- Understanding the sequencing of activities in an Agile project
- Understanding and practiced use of appropriate tools and techniques for Agile projects
- Understanding of effective control measures in Agile projects
- 1 examination qualification
- Potential to continue onto Practitioner
- 1 year's free membership of the [Agile Business Consortium](#) for successful candidates

Duration: 3 days

Pre-Requisites: Previous experience of a project management environment and completion of the pre-course reading

About Aspire Europe

The case for using Aspire Europe is compelling; we are an Accredited Training organisation by [APM](#), C4CM and The APM Group and an AXELOS Limited accredited consulting partner. Our trainers include mainly practicing consultants in Portfolio, Programme and Project Management and Risk Management who have achieved Registered Consultant status.

We constantly strive to offer refreshing courses, material and examples to the market and provide interesting and stimulating events.

This 3 day course is intense, and for individuals coming from a project or operations background the sheer volume of information that has to be processed to achieve Foundation can be challenging. Preparation is the key to success, which is why we provide pre-course reading to help you arrive on the first day fully prepared.
