# MANAGING SUCCESSFUL PROGRAMMES ADVANCED PRACTITIONER COURSE

## Introduction

Managing Successful Programmes (MSP®) is the de facto standard developed by the UK government for delivering change programmes in the UK. This course covers the latest version released in August 2011.

This is designed for individuals who have undertaken the 5 day Practitioner course and passed the examination, and now wish to move on to the higher examination level available.

## Target Audience

This course is ideal for staff involved in programme management roles that have sat through and passed the Practitioner examination and wish to progress to the next level. The standard for this qualification is higher than for the old version of the exams and manual. Individuals who have the old (pre 2007) version of the manual and qualification will find this course will be challenging and test them at a higher level than before.

## Course Benefits

The standard for this qualification is higher than for the old version of the exams and manual. Individuals who have the old (pre 2007) version of the manual and qualification will find this course will be challenging and test them at a higher level than before.

- Duration:** 2 days
- Pre-Requisites:** Previous experience of a programme management environment and completion of the MSP Practitioner course.
- Public Event:** Public courses are based around the case study scenario that is used for the MSP Advanced Practitioner examination.
- In-House Event:** Can be tailored around a current programme or planned programme to help with planning or transition.

## About Aspire Europe

The case for using Aspire Europe is compelling; we are an Accredited Training organisation by APM, C4CM and The APM Group and an AXELOS Limited accredited consulting partner. Our trainers include mainly practicing consultants who have achieved Registered Consultant status. Aspire Europe Ltd also provided the Lead Author for the 2007 and 2011 version of Managing Successful Programmes.

Prior to the event there will be preparation work to consolidate the work undertaken on the Practitioner course into a viable programme for MSP Care. The amount of work that individuals will need to put in will depend on the time since their 5 day Practitioner Course.

The 2 day course is intense but fun, and is intended to be interactive whilst challenging. Delivery is not through PowerPoint presentation but group learning and problem solving.

**Public Event:** Price on application  
**In-House Event:** Price on application
