

# MANAGING SUCCESSFUL PROGRAMMES PRACTITIONER COURSE

## Introduction

Managing Successful Programmes (MSP®) is the de facto standard developed by the UK government for delivering change programmes in the UK. This course covers the latest version released in August 2011.

This is designed for individuals who have undertaken the 3 day Foundation and passed the examination, and now wish to move on to the higher examination level available.

## Target Audience

This course is ideal for staff involved in programme management roles that have already attained the Foundation qualification and wish to progress to the next level. For example:

- Programme leader
- Programme office staff
- Business Change Managers
- Business Consultants
- Operations staff involved in change programmes

## Course Benefits

- Practitioner examination qualification
- Application of MSP® methodology to a complex case study.
- Increased confidence in real world application.
- Thorough knowledge of the MSP® methodology at theory and application level.
- Potential to continue on to Advanced level accreditation.

**Duration:** 2 days

**Pre-Requisites:** Previous experience of a programme management environment and completion of the MSP Foundation course.

**Public Event:** Public courses are based around the case study scenario that is used for the Practitioner examination.

**In-House Event:** Can be tailored around a current programme or planned programme to help with planning or transition.

TRAINING ORGANIZATION ACCREDITED BY

## About Aspire Europe

The case for using Aspire Europe is compelling; we are an Accredited Training organisation by APM, C4CM and The APM Group and an AXELOS Limited accredited consulting partner. Our trainers include mainly practicing consultants who have achieved Registered Consultant status. Aspire Europe Ltd also provided the Lead Author for the 2007 and 2011s version of Managing Successful Programmes.

Prior to the event there will be preparation work to consolidate the work undertaken on the Foundation course into a viable programme for MSP Care. The amount of work that individuals will need to put in will depend on the time elapsed since they attended and passed at Foundation level.

The 2 day course is intense but fun, and is intended to be interactive whilst challenging. It will also prepare delegates wishing to progress onto the Advanced workshop.

**Public Event:** Price on application

**In-House Event:** Price on application

# MANAGING SUCCESSFUL PROGRAMMES PRACTITIONER COURSE

## Course Outline

| Module                                 | Content  |
|--|--|
| <b>MSP® Care in Context</b>            | Syndicate workshop to define and clarify their understanding of the MSP Care Transformation Programme and associated documentation   |
| <b>Completing Programme Definition</b> | Consolidation of the Programme Information developed during the Practitioner course and preparation to develop of presentation to the MSP Care Sponsoring Group of the fully defined Programme.  |
| <b>Managing the Programme 1</b>        | Managing the programme sessions use the MSP framework to respond to a range of business scenarios and challenges to the programme, with the groups developing solutions and options.   |
| <b>Managing the Programme 2</b>        | Specific application of the Governance Themes to the Transformational Flow to ensure sound understanding of the concepts   |
| <b>Examination Strategy</b>            | Review of the guidance from the Chief Examiner, understanding the objective of the examination questions, developing the examination techniques for individual styles.   |
| <b>PRACTITIONER EXAMINATION</b>        | Throughout the course, interwoven within the delivery of the theory and the practical examples of good practice, there is ongoing support and preparation for the examination. We provide sample papers and worked exercises using a scenario/case study to help create situations which develop the delegates understanding and recall of the material. |
