MANAGING SUCCESSFUL PROGRAMMES (MSP®) FOUNDATION BLENDED LEARNING

Introduction

Managing Successful Programmes (MSP®) is the de facto standard developed by the UK government for delivering change programmes in the UK.

This is the one-day approach to gaining the Foundation qualification. It is an intense course that will require delegates to prepare thoroughly via eLearning prior to course attendance. The course includes the Foundation examination.

Target Audience

This course is ideal for staff involved in programme management roles and wishes to gain a qualification, for example:

- Programme leader
- Programme office staff
- Business Change Managers
- Business consultants
- Operations staff involved in change programmes

Course Benefits

- Foundation level qualification
- Application of MSP® common vocabulary.
- Increased confidence in real world application.
- Thorough knowledge of the MSP® methodology at theory and application level.

Duration: One day

Pre-Requisites: This course is intensive and delegates will be required to undertake and complete the full eLearning course prior to attending this workshop.

About Aspire Europe

Our roots are entrenched in Change Programme Management and Performance Management and we are committed to improving the efficiency and effectiveness of organisations through the transfer of our knowledge and experience to your people.

We constantly strive to offer refreshing, stimulating and interesting events facilitated by consultants with a wealth of experience and examples to enhance your learning experience.

We offer further accredited courses to continue your development.

The one day course is intense, and for individuals coming from a project/programme or operations background, the sheer volume of information to be processed to achieve Foundation level can be baffling. Preparation is the key to success, which is why we provide a full eLearning course to help you arrive on the day fully prepared.

In-House Event: Price on application
