

MANAGING SUCCESSFUL PROGRAMMES® FOUNDATION eLEARNING

Introduction

Managing Successful Programmes (MSP®) is the de facto standard developed by the UK government for delivering change programmes in the UK.

This accredited eLearning course covers the latest version released in August 2011 and prepares delegates for the Foundation examination.

Target Audience

This course is ideal for staff involved in Programme Management roles and who wish to gain a qualification, for example:

- Programme leader
- Programme office staff
- Business Change Managers
- Business consultants
- Operations staff involved in change programmes

Course Benefits

- Preparation for the examination.
- Application of MSP® common vocabulary.
- Increased confidence in real world application.
- Thorough knowledge of the MSP® methodology at theory and application level.
- Option to sit the exam online or as part of a one-day exam workshop
- Potential to continue on to Practitioner/Advanced level.

Duration: Approx. 18 hours

Pre-Requisites: Previous experience of a Programme Management environment and completion of the pre-course workbook and reading.

About Aspire Europe

Our roots are entrenched in Change Programme Management and Performance Management and we are committed to improving the efficiency and effectiveness of organisations through the transfer of our knowledge and experience to your people.

We constantly strive to offer refreshing, stimulating and interesting events facilitated by consultants with a wealth of experience and examples to enhance your learning experience.

We offer further accredited courses to continue your development.

This eLearning course is intense and for individuals coming from a project or operations background the sheer volume of information to be processed to achieve Foundation level can be baffling. Preparation is the key to success and the course is intended to be interactive whilst challenging.

**Price: £199 per person (full package)
for 12 months access**
