

# MANAGING SUCCESSFUL PROGRAMMES FOUNDATION eLEARNING

## Introduction

Managing Successful Programmes (MSP®) is the de facto standard developed by the UK government for delivering change programmes in the UK.

This accredited eLearning course covers the latest version released in August 2011 and prepares delegates for the Foundation examination.

## Target Audience

This course is ideal for staff involved in programme management roles and who wish to gain a qualification, for example:

- Programme leader
- Programme office staff
- Business Change Managers
- Business consultants
- Operations staff involved in change programmes

## Course Benefits

- Preparation for the examination.
- Application of MSP® common vocabulary.
- Increased confidence in real world application.
- Thorough knowledge of the MSP® methodology at theory and application level.
- Potential to continue on to Practitioner/Advanced level.

**Duration:** Approx. 18 hours

**Pre-Requisites:** None

## About Aspire Europe

The case for using Aspire Europe is compelling; we are an Accredited Training organisation by APM, C4CM and The APM Group and an AXELOS Limited accredited consulting partner. Our trainers include mainly practicing consultants who have achieved Registered Consultant status. Aspire Europe Ltd also provided the Lead Author for the 2007 and the 2011 versions of Managing Successful Programmes.

We constantly strive to offer refreshing courses, material and examples to the market and provide interesting and stimulating events.

The course is fun and is for individuals coming from a project or operations background as the sheer volume of information that has to be processed to achieve Foundation level can be baffling. Preparation is the key to success, which is why we provide a full eLearning programme to help you arrive fully prepared for the exam.

**Price: £199 per person (full package)  
for 12 months access**
