

# MANAGEMENT OF RISK

## 3 DAY FOUNDATION COURSE

### Introduction

A certain amount of risk taking is inevitable if your organisation is to achieve its objectives. Effective management of risk helps you to improve performance. Informed risk-taking helps to improve performance through innovative approaches for managing the business, service delivery and value for money. Management of Risk (M\_o\_R®) is the best practice developed by the UK government. This course covers the latest version of M\_o\_R® released in December 2010.

This is the 3 day approach to gaining the Foundation qualification. It is an intense course that will require delegates to prepare thoroughly and be prepared for evening work throughout the course. The course includes the Foundation examination and prepares delegates for the Practitioner course should they wish to move on to this level.

### Target Audience

This course is ideal for any staff that needs to learn and apply the concepts of risk management and specifically understand the principles and language of the M\_o\_R® method.

- Directors
- All levels of Managers
- Programme and Project Managers
- Programme and office staff
- Business Change Managers
- Business Consultants

### Course Benefits

- Foundation level qualification
- Application of M\_o\_R® common vocabulary
- Increased confidence in real world application of effective risk management.
- Thorough knowledge of the M\_o\_R® methodology at theory and application level.
- Potential to continue on to Practitioner level.

**Duration** 3 days

**Public Event:** Price on application  
**In-House Event:** Price on application

TRAINING ORGANIZATION ACCREDITED BY

**Pre-Requisites** Some previous experience of Risk Management in a working environment and completion of the pre-course workbook and reading.

**Public Courses** Public courses are based around the case study scenario that is used for the Practitioner examination.

**In-house courses** Can be tailored around a current programme or planned programme to help with planning or transition.

### About Aspire Europe

We are a company with roots entrenched in change programme management and performance improvement and have been at the forefront of leadership for 10 years, providing the lead authors for the 2007 and 2011 Managing Successful Programmes and the P3M3 Maturity Model for 2008 and 2013.

We constantly strive to offer refreshing courses, material and examples to the market and provide interesting and stimulating events.

The 3 day course is intense, and the sheer volume of information that has to be processed to achieve Foundation level can be baffling. Preparation is the key to success, which is why we provide a full pre-course programme to help you arrive on the first day fully prepared. The course also prepares delegates for the Practitioner course and subsequent examination.
