

MANAGEMENT OF RISK PRACTITIONER EXAM WORKSHOP

Introduction

Effective management of risk helps you to improve performance. Informed risk-taking helps to improve performance through innovative approaches for managing the business, service delivery and value for money. Management of Risk (M_o_R®) is the best practice developed by the UK government. This course covers the latest version of M_o_R® released in December 2010. This course is designed for individuals who have undertaken the Foundation Course and passed the examination, and now wish to move on to the higher examination level available.

Target Audience

This course is ideal for any staff with risk management responsibilities, in project, programme or operational activities, or who are involved in improving risk management practice in their organisation.

- Directors
- Operational Managers
- Programme and Project Managers
- Risk Managers
- Business Change Managers

Course Benefits

- Increased confidence to delegates in real world application of effective risk management.
- Thorough knowledge of the M_o_R® methodology at theory and application level.
- Application of M_o_R® methodology to a complex case study
- Thorough knowledge of M_o_R® at theory and application level.
- Potential to continue on to Consultant level accreditation.

Duration: 1 day

Pre-Requisites: Previous experience of Risk Management in a working environment and completion of M_o_R® Foundation course and qualification.
