APMG INTERNATIONAL MANAGING BENEFITS™ PRACTITIONER eLEARNING

Introduction

The purpose of the APMG International Managing Benefits™ guidance and certification scheme is to provide managers and practitioners from multiple disciplines, working in a variety of organizations, with generally applicable guidance encompassing benefits management principles, practices and techniques. “Managing Benefits” has been carefully designed to complement existing Best Practice in portfolio, programme and project management such as PRINCE2®, MSP® & MoP®.

This course is designed for individuals who have undertaken the 3 day Foundation course and passed the examination, and now wish to move on to the higher examination level available.

Target Audience

The target audience includes all those with a role in ensuring best use of funds by maximizing the benefits realized from change initiatives. This multi-disciplinary group includes:

- Change leaders (e.g. senior responsible owners)
- Change initiators (e.g. strategic planners and policy leads)
- Change appraisers and evaluators
- Change implementers (e.g. programme managers)
- Change support staff (e.g. project office staff)

Course Benefits for Individuals

- Enhanced professional competence through benefits management practices and techniques.
- Ability to implement methods, including knowledge of management accountancy and behavioural finance.
- Adept at forecasting realistic benefits to produce business cases which address business issues and objectives.

Course Benefits for Organizations

- Realize benefits to improve prospects in terms of investors, clients, revenue and efficiency levels.
- Ability to demonstrate more efficient and effective practices through better use of available resources.
- Improved return on investment from change initiatives
- Enhanced confidence on the part of regulators and funding agencies.
- Have an organization-wide understanding of the benefits a project or programme will produce and be able to measure when they are realized
