

PORTFOLIO, PROGRAMME & PROJECT OFFICES (P30®) PRACTITIONER

Introduction

Portfolio, Programme and Project Offices (P30®) is the standard developed by the UK government to enable individuals and organizations to establish, develop and maintain appropriate business support structures. The guidance brings together a set of principles, processes and techniques to facilitate effective Portfolio, Programme and Project Management by proposing proven enabling and support structures, roles and responsibilities. These structures also bridge the gap between the process of developing the organisation's strategy and that of its delivery.

This course covers the version released in October 2013 and is designed for individuals who have undertaken the three-day Foundation course and passed the examination, and now wish to move on to the higher examination level available.

- Head of P30® (Portfolio Office, Programme Office or Centre of Excellence)
- Senior Portfolio, Programme or Project Office staff
- Portfolio, Programme or Project staff, particularly analysts and specialists.

Course Benefits

- Practitioner examination qualification
- Application of P30® methodology to a complex case study
- Increased confidence in real world application
- Thorough knowledge of the P30® concepts and techniques at theory and application level.
