

PRINCE2®

PRACTITIONER INTERACTIVE LEARNING

Introduction

PRINCE2®¹ (Projects IN Controlled Environments, Version2) is a structured method for effective project management. Developed by the UK Government, the PRINCE2® method is internationally accepted as the leading “best practice” project management approach and is widely used in the private and public sectors, both in the UK and internationally.

This **APMG accredited i-learning course** covers the 2009 version and is designed for individuals who have undertaken the 3 day Foundation Course or the Foundation i-learning and passed the examination, and now wish to move on to the higher examination level available.

This course reviews the PRINCE2® Project Management methodology and prepares delegates for the PRINCE2® Practitioner examination.

Target Audience

This course is intended for staff involved with project support or project assurance roles and wish to gain a qualification, for example:

- Project team managers
- Project team members

Course Benefits

- Application of PRINCE2® common vocabulary
- Increased confidence to delegates in real world application
- Thorough knowledge of the PRINCE2® methodology at theory and application level

Duration: Approx. 6 hour

Pre-Requisites: Delegates must have passed the PRINCE2® Foundation examination
