

RISK MANAGEMENT PRINCIPLES

Introduction

This course is an overview of the key concepts of Risk Management in a business or public organisation. It is based on published industry best practice. In this one day overview all areas will be covered, with an emphasis on practical use in the workplace. Where appropriate for the audience, some sections may be covered in more depth than others. The course can lead to a nationally recognised award accredited by ILM following an assessment exercise.

Target Audience

This course is intended as an introduction for staff who wish to know more about managing risk, or who are thinking of accreditation in the future:

- Directors
- Senior Managers
- Programme and project staff
- Staff involved in risk assessment or management
- All business managers

Course Benefits

- A useful overview of Risk Management
- First step to accreditation
- Develop a personal action plan to take back
- Personal development in a key management

Duration: One day workshop with an additional 20 hours of study time required for the award.

Pre-Requisites: None required. Attendees will be encouraged to discover how their organisation manages risk and to see what risks they can identify in their own area. These will be used for discussion during the day.

In-House Event: Price on application

C4CM Qualification: £175 per person (optional)

About Aspire Europe

The case for using Aspire Europe is compelling; we are a company dedicated to improving the effectiveness of organisations through transfer of our knowledge to your staff.

We specialise in the best practice methods, covering Project, Operational and Programme environments and thus have a unique insight into how risk from one discipline carry across into other areas of the organisation.

We have extensive experience in the management of risk in a range of business functions and will share pragmatic use of best practice rather than indoctrinate delegates with a rigid approach.

We constantly strive to offer refreshing courses, material and examples to the market and provide interesting and stimulating events.
