

# APMG INTERNATIONAL CHANGE MANAGEMENT™ PRACTITIONER

## Introduction

This APM Group accredited course is based on The Effective Change Manager's Handbook.

The course focuses on the effects of change in four key areas: individual, organization, communication and stakeholder engagement and change practice.

It is complementary to MSP®, M\_o\_R® and PRINCE2® but knowledge of these approaches is not a pre-requisite for attendance.

## Target Audience

This course is ideal for:

- Staff involved in Change Management
- Those leading or about to lead Change
- Those seeking the Foundation and Practitioner qualification
- Team members being affected by or affecting Change, and individuals who will need to support their colleagues, team and organisation through change, and/or manage themselves through change

## Course Benefits

- An internationally recognised APM Group course
- Understanding of the impacts of change
- Knowledge and understanding of how to support others through change
- Understanding to support the organisation through change

**Duration:** Two days

**Pre-Requisites:** Completion of the Change Management Foundation course and qualification.

## About Aspire Europe

Our roots are entrenched in Change Programme Management and Performance Management and we are committed to improving the efficiency and effectiveness of organisations through the transfer of our knowledge and experience to your people.

We constantly strive to offer refreshing, stimulating and interesting events facilitated by consultants with a wealth of experience and examples to enhance your learning experience.

We offer further accredited courses to continue your development.

This two-day course is busy, and for individuals coming from a project, programme, operations or senior management background it is a fascinating insight while at the same time putting in place essential foundations for the future.

We do everything in our power to help nurture you through to the standard required for the examination. We ensure that you have a good practical understanding of the impact change has on individuals, teams, organisations and leaders, and how that understanding can support successful delivery of the outcomes and benefits required.

**Price on application**
