MANAGING SUCCESSFUL PROGRAMMES®
PRACTITIONER eLEARNING

Introduction
Managing Successful Programmes (MSP®) is the de facto standard developed by the UK government for delivering change programmes in the UK.

This accredited eLearning course covers the latest version released in August 2011 and is designed for individuals who have undertaken the three-day Foundation or the Foundation eLearning and passed the examination, and now wish to move on to the higher examination level available.

Target Audience
This course is ideal for staff involved in Programme Management roles that have already attained the Foundation qualification and wish to progress to the next level. For example:
- Programme leader
- Programme office staff
- Business Change Managers
- Business Consultants
- Operations staff involved in change programmes

Course Benefits
- Application of MSP® methodology
- Increased confidence in real world application.
- Thorough knowledge of the MSP®[1] methodology at theory and application level.
- Potential to continue to the Advanced level accreditation.
- Option to sit exam online or as part of one-day exam workshop

Duration: Approx. six hours

Pre-Requisites: Previous experience of a Programme Management environment and successful completion of the MSP® Foundation course and qualification
