

# MANAGEMENT OF RISK (MoR®)

## PRACTITIONER

### Introduction

Effective Management of Risk helps you to improve performance. Informed risk-taking helps to improve performance through innovative approaches for managing the business, service delivery and value for money. Management of Risk (M\_o\_R®) is the best practice developed by the UK government. This course covers the latest version of M\_o\_R® released in December 2010. This course is designed for individuals who have undertaken the three-day Foundation Course and passed the examination, and now wish to move on to the higher examination level available.

### Target Audience

This course is ideal for any staff with Risk Management responsibilities, in project, programme or operational activities, or who are involved in improving Risk Management practice in their organisation.

- Directors
- Operational Managers
- Programme and Project Managers
- Risk Managers
- Business Change Managers

### Course Benefits

- Increased confidence to delegates in real world application of effective risk management.
- Thorough knowledge of the M\_o\_R® methodology at theory and application level.
- Application of M\_o\_R® methodology to a complex case study
- Thorough knowledge of M\_o\_R® at theory and application level.
- Potential to continue on to Consultant level accreditation.

**Duration:** Two days

**Pre-Requisites:** Previous experience of Risk Management in a working environment and completion of M\_o\_R® Foundation course.

### About Aspire Europe

Our roots are entrenched in Change Programme Management and Performance Management and we are committed to improving the efficiency and effectiveness of organisations through the transfer of our knowledge and experience to your people.

We constantly strive to offer refreshing, stimulating and interesting events facilitated by consultants with a wealth of experience and examples to enhance your learning experience.

We offer further accredited courses to continue your development.

Prior to the event there will be preparation work to consolidate the work undertaken on the Foundation course. The amount of work that individuals will need to put in will depend on the time elapsed since they attended and passed at Foundation level.

**In-House Event:** Price on application
