

MANAGEMENT OF RISK (MoR®) FOUNDATION

Introduction

A certain amount of risk taking is inevitable if your organisation is to achieve its objectives. Effective Management of Risk helps you to improve performance. Informed risk-taking helps to improve performance through innovative approaches for managing the business, service delivery and value for money. Management of Risk (M_o_R®) is the best practice developed by the UK government. This course covers the latest version of M_o_R® released in December 2010.

This is the three-day approach to gaining the Foundation qualification. It is an intense course that will require delegates to prepare thoroughly and be prepared for evening work throughout the course. The course includes the Foundation examination and prepares delegates for the Practitioner course should they wish to move on to that level.

Target Audience

This course is ideal for any staff that needs to learn and apply the concepts of Risk Management and specifically understand the principles and language of the M_o_R® method.

- Directors
- All levels of Managers
- Programme and Project Managers
- Programme and office staff
- Business Change Managers
- Business Consultants

Course Benefits

- Foundation level qualification
- Application of M_o_R® common vocabulary
- Increased confidence in real world application of effective risk management.
- Thorough knowledge of the M_o_R® methodology at theory and application level.
- Potential to continue on to Practitioner level.
