

MANAGEMENT OF RISK (MoR®)

FOUNDATION eLEARNING

Introduction

A certain amount of risk taking is inevitable if your organisation is to achieve its objectives. Effective management of risk helps you to improve performance. Informed risk-taking helps to improve performance through innovative approaches for managing the business, service delivery and value for money. Management of Risk (M_o_R®) is the best practice developed by the UK government.

This accredited eLearning course covers the latest version of M_o_R® released in December 2010 and prepares delegates for the Foundation examination.

Target Audience

This course is ideal for any staff that needs to learn and apply the concepts of risk management and specifically understand the principles and language of the M_o_R® method.

- Directors
- All levels of Managers
- Programme and Project Managers
- Programme and office staff
- Business Change Managers
- Business Consultants

Course Benefits

- Potential to achieve the Foundation level qualification
- Thorough knowledge of the M_o_R® methodology at theory and application level.
- Option to sit exam online or as part of a one-day workshop
- Potential to continue on to Practitioner level.

Duration: Approx. 12 hours

Pre-Requisites: Some previous experience of Risk
