

PRINCE2® 2017 PRACTITIONER eLEARNING

Introduction

PRINCE2®¹ (Projects IN Controlled Environments, Version2) is a structured method for effective Project Management. Developed by the UK Government, the PRINCE2® method is internationally accepted as the leading “best practice” Project Management approach and is widely used in the private and public sectors, both in the UK and internationally.

This **accredited eLearning course** covers the 2017 version and is designed for individuals who have undertaken the three-day Foundation Course / eLearning and passed the examination, and now wish to move on to the higher examination level.

This course reviews the PRINCE2® Project Management methodology and prepares delegates for the PRINCE2® Practitioner examination.

Target Audience

This course is intended for individuals involved with project support or project assurance roles and wish to gain a qualification, for example:

- Project Team Managers
- Project Team members

Course Benefits

- Application of PRINCE2® common vocabulary
- Increased confidence to delegates in real world application
- Thorough knowledge of the PRINCE2® methodology at theory and application level
- Option to sit exam online or as part of a one-day exam workshop
- You can maintain your certification through the new [PRINCE2® Membership scheme](#)

Duration: Approx. six hours

Pre-Requisites: Delegates must have passed the PRINCE2® Foundation examination
