

# PRINCE2® 2017 PRACTITIONER eLEARNING

## Introduction

PRINCE2®<sup>1</sup> (Projects IN Controlled Environments, Version2) is a structured method for effective project management. Developed by the UK Government, the PRINCE2® method is internationally accepted as the leading “best practice” project management approach and is widely used in the private and public sectors, both in the UK and internationally.

This **accredited eLearning course** covers the 2017 version and is designed for individuals who have undertaken the three day Foundation Course or the Foundation eLearning and passed the examination, and now wish to move on to the higher examination level available.

This course reviews the PRINCE2® Project Management methodology and prepares delegates for the PRINCE2® Practitioner examination.

## Target Audience

This course is intended for staff involved with project support or project assurance roles and wish to gain a qualification, for example:

- Project team managers
- Project team members

## Course Benefits

- Application of PRINCE2® common vocabulary
- Increased confidence to delegates in real world application
- Thorough knowledge of the PRINCE2® methodology at theory and application level

**Duration:** Approx. six hours

**Pre-Requisites:** Delegates must have passed the PRINCE2® Foundation examination
